5:00 PM - 9:30 PM

at

Guilderland Public Library

2228 Western Avenue

Guilderland, New York

Frank X. Craine, AIA is a Partner, and Diane Abate is a Senior Architectural Designer at the firm of Peter Gisolfi Associates located in Hastings-on-Hudson, NY. Together they have over 30 years of collective experience working with libraries and academic clients in the private and public sectors. Mr. Craine was a key member of the design team for the new Darien Library in Connecticut, which is scheduled to be the first Gold LEED-certified library in New England. He and Ms. Abate are currently working on the feasibility study for expanding the Guilderland Library. Some of the topics they will address are:

- What to consider when planning a library renovation or expansion.
- Choosing the right design team for effective collaboration.
- Finding funding sources for your project.
- Finding cost-effective ways to incorporate Green building strategies.
