

A Book Repair Workshop

**Presented by
Kary Barth, Kapco Library Products**

August 5, 2009
9:00 am – Noon

CDLC Headquarters

This workshop is designed to demonstrate quick and easy techniques for extending shelf life on general circulating materials. Prevention is the key, but the presenter will be addressing specific common repairs such as: tipping in loose pages, broken spines, torn header caps, ripped and torn pages.

Each participant is asked to bring:

- two paperback books, preferably new or new-like, to demonstrate covering techniques
- a hardbound book with a book jacket to demonstrate application of book jacket covers
- a stapled book or magazine
- a book that needs to have a loose page tipped in
- a hardbound book that needs repair
- a pair of scissors.

Everyone will be provided with a free sample packet of materials.

Presenter: Kary Barth. Kary, regional sales manager for Kapco Library Products, has a Bachelor of Science degree from the University of Illinois, Urbana and has worked with libraries since 1990. Formerly the national library sales manager for Kapco, Kary authored a basic book repair guide that was previously available from Kapco and has presented book protection/repair workshops in various venues throughout the United States.

Please see the following page for registration details.

Registration deadline is July 24, 2009.

Registration is limited to 25 participants.
